The Australian Museum.
Sydney 11th August, 1938.

The Acting Curator,
Western Australian Museum,
PERTH. W.A.

Dear Miss Bowley,

In 1936 some correspondence took place with your Museum regarding the distribution in Western Australia of certain elements in the material culture of the aborigines; the last letter from Mr. Glauert on this subject was dated 16th April, 1936.

As regards the item pearl-shell ornaments, Mr. McCarthy, who is now finalising a paper on barter routes in Australia, is anxious to obtain information as to the localities from which pearl-shell phallicrypts in the Western Australian Museum have been obtained.

We shall be very grateful if you would kindly supply these data for Mr. McCarthy's information.

Yours sincerely,

C. Anderson

Director.
