The  
Curator  
Museum Perth

Dear Sir  
I wish to inform  
you that during the Royal  
Celebration week, I was  
perth & took down with  
me a package of native  
weapons for you - there  
were however lost together  
with my personal baggage  
essentially burning up  
in the lost property office  
perth Railway.

I called to inform  
you of such - you being

absent - I left a  
message with the door  
keeper - for someone  
to call at the lost  
property office - & take  
delivery of the package -  
which was addressed  
"W. O. Mansbridge Esq  
Curator Museum  
Perth"

I trust you have  
received these in good  
order

Yours truly,  
W. O. Mansbridge
