The Western Australian Museum and Art Gallery,

Perth, 23 June 1904

The following Articles are left on approval, at owner's risk. If for sale, prices to be stated, if on loan, the time for which they will be lent and the value to be named.

This Stone was found by me some years ago in a black's Camp near the Upper Irwin River - There was another Stone round, flat, & slightly hollowed with it, but I cannot at present find it - If the one now sent to you is a Native Mill Stone please keep it & the flat Stone I will also give you when I find it.

Signed James F. Smith
