B. A. Woodward Esq

Dear Sir / I have in my possession
a pair of native Drillstones
(Murchisonia) collected by
my beloved wife now deceased
. They are a nice specimen weighing
about 20 lbs and I will forward
them to you freight paid for
your Museum providing in
describing them, when you allot
them a place, you add, they
were collected by Mrs Joshua
Kills Geraldton -

Awaiting your reply
Yours very truly
