

20/12/1910.

1. Spear heads of the present day (1909) made by a Jaroo native named Coolin. Made of stone found at Lambo Station near Hall's Creek N. A.
2. Ancient spear heads dug up at the same place and made from similar stone, presumably by ancestors of the same tribe which has its chief camp at Lambo (in Jaroo language the paperbark)

Presented by Fredk. C. Booty.
