My dear Sir,

Miss Wilson has brought me the list of the native weapons, etc., that you would like to acquire for your friend. I will bring the question before the Trustees at their next meeting, which will be held on the 8th January.

There are several things in your list that are now very scarce and difficult to get, such as the stone axes and knives. I will see what I can suggest out of our duplicates directly after the meeting_

I am,

Yours Yours very truly,

DIRECTOR.
