Q.M.16/205.

Dear Sir,

With reference to Message-sticks in Western Australia, can you give me any information?

I am endeavouring to work through our material which in the absence of authentic records is most unsatisfactory. Perhaps you may have evidence in your collections which would assist. In any case you might communicate with me as soon as you can. Have you any particular Western Australian literature on the subject?

Thanking you in anticipation,

I am,

Yours sincerely,

R. Stanley Harris

Director of the Queensland Museum.
