Dear Sir,

Do you remember your letter of the 21st December last and a promise to set aside a few days in January in order to deal with your Message-sticks?

Now at last I am beginning to think of writing up my investigations re Message sticks, but without your Western Australian notes, mine would be incomplete. I will delay my further efforts therefore until I hear from you.

I am indeed sorry to be such a nuisance but should nevertheless value your notes as soon as you can conveniently send them.

Thanking you in anticipation,

I am,

Yours sincerely,

R. Hauling-Harold
