

15.
94 of Wellington St
2nd March 1919

Dear Mr. G. Howard

The parcel I leave this morning
as well as those you have already are
absolutely valuable and have belonged to
Mecundi Tharai an old Native who gave them
to me. The black hair belt I soaked
from a young savage girl named
Lemuka. The head ornaments are all
old and were full of oil, but I have
cleaned.
